

schoolmoney

Wednesday 20th October 2021

Dear Parents,

School Money – Going Live Monday 1st November 2021

We are delighted to inform you that we have recently signed up to the online payment system **SchoolMoney**. This means that you will now use the facility to make payments for all school expenses, (such as dinner/milk money, music, swimming, trips etc.) All online with your debit or credit card.

This new payment system will benefit both us as a school and you as a parent. Not only will you be able to pay for items from the comfort of your own home but you will also be able to access your account at any time to see if there is anything you need to pay for. **SchoolMoney** will enable us to experience a more streamlined, cost-effective and efficient payment system in a secure and safe environment.

You won't need to sign up to this system as this is done automatically through the school. As long as you have provided us with up to date contact details we will forward you a **text** from the **SchoolMoney** system this evening. This will provide a link for you to download the 'Teachers2Parents' App from your App store.

Please note that only the No1 contact on your child's Data Collection information at school will receive this text.

From the welcome page, follow the simple setup instructions: - input your mobile number and verification code and your Eduspot app will activate immediately.

If for any reason you are struggling to log in, it may be because you have not provided us with the correct contact details. If this is the case, please let us know immediately if your mobile number has changed.

We appreciate your cooperation in the early stages of rolling this system out to you.

More information to follow this week.

Kind Regards

Mr Scullion
